How and When to Enroll

Open enrollment occurs annually. It is your once-a-year opportunity to enroll in, update or make changes to your benefits elections-- unless you are a newly hired employee or have a qualifying life event, like getting married or having a child. If you wish to enroll in employee benefits, you must either call the call center at **888-659-1475**, or log onto Centra's self-service enrollment site at electbenefits.com/centra.

Note: Newly hired employees must make benefits elections within 31 days of your hire date. Benefits go into effect on the first day of the month following your hire date.

Enrollment is Easy

This year, we encourage you to use Health Plan Assist by visiting healthplanassist.com. It's a free tool available to Centra employees that allows you to compare multiple healthcare plans and estimate the premium responsibility and out-of-pocket costs for each benefits plan available to you. Use access code **CENTRA** when signing up.

Enroll in benefits by logging into:

electbenefits.com/centra or by calling
888-659-1475

(Monday through Friday, 9 a.m. – 6 p.m. EST)

Insider Tips and Tricks

- Review benefits materials available on [Centra People](#).
- Use [Health Plan Assist](#) to determine your benefit choices.
- [Take action to enroll](#).
- Your benefit elections begin **January 1, 2023** and remain in effect for the full year. You will not be able to make changes until next year's open enrollment period, unless you experience a qualifying life event. (See Making Changes During the Year on page 8 for details).

If you do not re-enroll, your 2022 plan choices will roll over for 2023.

Making Changes During the Year?

The benefit choices you make during enrollment will remain in effect for the entire plan year unless you experience a qualifying life event. Examples of qualifying life events include, but are not limited to:

- Change in your marital status
- Birth or adoption of a child
- Change in employment status
- Qualified Medical Child Support Order (QMCSO)

It is your responsibility to notify Centra within 31 days after a qualifying life event.

You may need to provide documentation of the event, such as a marriage license or birth certificate. Any benefit changes must be directly related to the event. For more information, go to Life Changes on the Centra People intranet site, or call the [Human Resources department at 434-200-5555](#).

Changing from Part-Time to Full-Time Employment Status

If you had previously been a full-time employee and you are now changing from a part-time status back to full-time, special rules apply:

- If you have had part-time status for more than one year, you can make new life and long-term disability elections without any limitations.
- If you have had part-time status for less than one year, you can only elect the level of life and long-term disability coverage you had in effect when you were previously a full-time employee.

Medical Coverage

At Centra, we understand the importance of good health as the foundation for a productive life at home and at work. To keep you and your family healthy all year long, Centra offers you two comprehensive medical plans:

The Basic Care Plan

The Basic Care Plan is a traditional insurance plan in which you must meet your deductible before the plan begins to pay benefits. You pay a copay for certain services and prescription drugs before and after meeting your deductible. Once the deductible is met, the plan pays 80% of the cost of most other in-network services. You do not need to obtain a referral or name a Primary Care Physician under this plan.

The High Deductible (HDHP) Advantage Care Plan

The HDHP Advantage Care plan requires you pay the full cost of your medical care until you meet the annual deductible (except for certain maintenance medications and wellness visits). Once you meet the deductible, the plan pays 100% of the cost of most other in-network services. The HDHP Advantage Care plan includes a Health Savings Account, co-funded by Centra, which can be used to help cover the up-front costs of the plan.

With both plans, stay in the Piedmont Community Health Plan (PCHP) network for healthcare services to receive the highest level of benefits. See the comparison chart on page 10 for details on costs for certain services under each plan.

Take advantage of your free in-network preventive care services by visiting hhs.gov for a list of covered preventive services.

Note: The HDHP Advantage Care is the plan you need to choose if you want a Health Savings Account (HSA). A HSA account is a savings account that can reduce your overall tax liability, as well as be used to cover out-of-pocket medical and healthcare expenses. Centra will also contribute to this account for HDHP Advantage participants – see the HSA section on page 14 for details.

Diabetes Program and Enhanced Pharmacy Benefit

For employees and their covered dependents who have been diagnosed with diabetes, Centra offers a diabetes health and pharmacy benefit with KnovaSolutions. Enrollment in the program is voluntary and completely free to use. Active participants will receive certain diabetes medications at a zero-dollar co-pay, and points towards Centra's incentive program. A qualifying drug list, which is updated over time, will be provided after enrollment.

How do I enroll?

To enroll in the program, you must complete the [KnovaSolutions Diabetes Assessment Tool](#). To access the KnovaSolutions Diabetes Assessment Tool, call [1-800-355-0885](tel:1-800-355-0885) or e-mail contactknovasolutions@workpartners.com. KnovaSolutions may contact you with information about the program and how to enroll. Centra Employees can find information about the Assessment Tool via the HealthWorks wellness portal at gowell.hw4me.com.

What's Next?

After you complete your Assessment Tool, a KnovaSolutions clinician will contact you to discuss the results and/or schedule a follow up appointment with a certified diabetes educator (CDE). Working with the CDE, you will create a personalized diabetes plan focused on your diabetes care which aims to help you feel and function at your best.

The RX Benefit

Through the health plan, you can earn a \$0 copay for certain diabetes medications during the plan year. To receive this benefit, you must be an Active Participant in the program by either demonstrating ongoing management of your diabetes, or participating in the KnovaSolutions program. You must complete the assessment tool and speak with the KnovaSolutions clinician by the 10th day of every month to receive the \$0 copay benefit in the following month. Participation in the program requires ongoing contact with your CDE. This contact is based on the personal diabetes plan you and your CDE established when you enrolled in the program. Any member receiving the benefit who either doesn't respond to KnovaSolutions outreach or stops participating in the KnovaSolutions Diabetes Program will lose the \$0 copay for his/her qualified diabetic medications. This means you will pay for the cost of your medications according to the plan you are enrolled in and the type of medication you are taking.

In order to re-enroll in the program and qualify for the \$0 copay for diabetes medications, you must retake the KnovaSolutions Diabetes Assessment Tool and start the program over. Please use the same resources and links as above to access the Assessment Tool. Centra reserves the right to cancel or modify this program at any time.

The PrudentRx Copay Program

As a part of your healthcare prescription plan, Centra has partnered with the PrudentRx Copay program to provide select specialty medications at no cost to you.

The PrudentRx Copay program combines an innovative specialty copay plan design strategy and improved member experience to help optimize savings and reduce member costs. It allows members to pay \$0 out-of-pocket for all specialty medications on the plan's exclusive specialty drug list dispensed by CVS Specialty pharmacies.

Tax Savings Account

Health Savings Account (HSA)

If you enroll in the HDHP Advantage Care medical plan, you can contribute to a health savings account (HSA). An HSA provides a triple tax advantage:

- Contribute pre-tax funds.
- Use tax-free dollars to pay for qualified medical expenses.
- Invest unused funds to grow tax-free.

Funds contributed to the HSA roll over from year to year, so you never lose any money you contribute. There are no penalties for withdrawing invested HSA dollars to pay for qualified medical expenses.

Centra has partnered with MetLife to create Health Savings Accounts for all HDHP Advantage participants. You can contribute to your account per requirements listed below. Centra will make an employer contribution to your account even if you don't contribute.

HSA Eligibility Requirements

You are eligible to open an HSA if you meet the requirements defined by the IRS below:

- You are covered by an HSA-eligible High Deductible Health Plan (HDHP) and have no other health coverage (unless it is a HDHP).
- You or your covered spouse do not participate in a Health Care Spending Account other than a LPFSA or DCFSA.
- You are not enrolled in Medicare or TRICARE.
- You are not claimed as a dependent on someone else's tax return.

HDHP Tier	Employee HSA Annual Contribution (Optional)	Employer HSA Annual Contribution*	Maximum Total Annual Contribution Limit for 2023*
EE Only	\$0 - \$3,100	\$750	\$3,850
EE + 1 Child	\$0 - \$6,750	\$1,000	\$7,750
EE + Children	\$0 - \$6,750	\$1,000	\$7,750
EE + Spouse	\$0 - \$6,750	\$1,000	\$7,750
EE + Family	\$0 - \$6,750	\$1,000	\$7,750

*Employer contributions are pro-rated and deposited over the course of the year each pay period. Contributions for employees in salary level 1 or 2 are front loaded.

**Employees age 55 and over can contribute an additional \$1,000

Things to Consider

The HSA helps you save for medical expenses now and the future.

- If you elect to enroll in an HSA, your contributions and investment earnings are not taxable.
- You can increase your savings through several investment options.
- Any funds you don't use will continue to accumulate and you can take the money with you if you decide to leave Centra.

See the IRS booklet posted on Centra People > Employee Matters > Benefits for more details.

Tax Savings Account

Limited-Purpose FSA (LPFSA)*

Centra also offers another spending account for those who choose coverage under the High Deductible Health Plan (HDHP) Advantage with a Health Savings Account (HSA).

The Limited-Purpose (LPFSA) Account: You can contribute up to \$2,850 per year on a pre-tax basis to pay for out-of-pocket dental and vision expenses.

A limited-purpose FSA (LPFSA) is restricted to paying for only dental and vision expenses. If you have a Health Savings Account (HSA), you cannot have a regular healthcare spending account (FSA) but you can have a LPFSA. LPFSA operates the same way as regular FSAs for enrollment, debit cards, reimbursements, etc.

It may be advantageous to contribute to a LPFSA if you choose to contribute the entire allowable yearly maximum to your HSA. Your HSA funds will be invested and your account will increase while you use the LPFSA to pay for dental and vision expenses.

Flexible Spending Accounts (FSAs)*

Centra offers two regular spending account choices as a smart and convenient way to stretch your benefit dollars and receive real tax savings:

- **The Health Care Account:** You can contribute up to \$2,850 per year on a pre-tax basis to pay for eligible out-of-pocket medical, dental, and vision expenses. (HDHP Advantage participants are not eligible for this account.)
- **The Dependent Day Care Account:** You can contribute up to \$5,000 per household per year (\$2,500 if married, filing separately) on a pre-tax basis to cover your cost of child care for children up to age 13.

*FSA maximums for 2023 will be released by the IRS in the fall and are subject to change.

How FSAs Work

Expenses such as deductibles and copays can quickly add up, and dependent care costs can be even more expensive. FSAs let you pay these expenses with pre-tax dollars, so you save money. Your contributions will be deducted from your paychecks in equal installments throughout the year and deposited into your account(s).

- Keep in mind that the IRS has a “use it or lose it” rule. If you do not use the full amount in your spending accounts by the end of the calendar year, you will lose any remaining funds.
- You must incur expenses by March 15th of the following calendar year.
- You must submit all claims by April 30th of the following year to be reimbursed.
- When estimating your health care and dependent care costs, it is better to be conservative and underestimate rather than overestimate your expenses.

FSA Enrollment

Important: Each year that you would like to participate in the FSA, you must elect the amount you want to contribute to the FSA. Even if you participated the previous year, your election does not carry over; **you must actively enroll to contribute to the FSA.**

- Remember, you cannot stop or change your contribution amount during the year unless you experience a qualified life change event.
- You cannot transfer funds from one account to another.

Tax Savings Account

MetLife Debit Card

When you enroll in a health care account with Centra, MetLife will send you a MasterCard debit card in the mail that can be used for eligible FSA, HSA (if enrolled), LPFSA, and DCFSA expenses. The debit card is directly linked to your account and can be used to cover eligible expenses. It is also accepted at doctors' offices and other qualified merchants, such as pharmacies. When you use your MetLife debit card to pay for qualified expenses, the money is instantly deducted from your account.

Reimbursement

If you paid for qualified expenses out-of-pocket and want to receive reimbursement from your FSA, you may submit a paper claim form or submit an online claim for eligible out-of-pocket dependent care and health care expenses. Please save your receipts! To comply with IRS regulations, MetLife monitors the expenses paid from your FSA by verifying your receipts. When you receive a request from MetLife, send copies of your receipts immediately.

Eligible Expenses

Note: Although Centra utilizes several IRS approved auto-substantiation programs for debit card transactions, there may be instances where a receipt will be required.

Below are examples of eligible expenses.

Additional Benefits

For more information on these benefits, go to [Centra People > Employee Matters > Benefits](#).

Hospital Indemnity

Hospital Indemnity Insurance provided by MetLife can pay benefits that help you with the costs of a covered hospital visit. It helps covered employees and their families cope with the financial impacts of a hospitalization. You can receive benefits when you're admitted to the hospital for a covered accident, illness, or childbirth. The money is paid directly to you – not to a hospital or care provider. The money can also help you pay the out-of-pocket expenses your medical plan may not cover, such as coinsurance, copays, and deductibles.

What's included?

- \$1,500 for the day of hospital admission, once per calendar year.
- \$100 for each day of your covered hospital stay, up to 60 days per calendar year.
- \$100 for each day you spend in intensive care, up to 30 days per calendar year.

Hospital indemnity insurance is affordable, and the cost is deducted directly from your paycheck. If you leave the company or retire, you can take your coverage with you, without having to answer new health questions, and will be billed directly for the insurance.

Critical Illness

If you're diagnosed with an illness that is covered by this insurance provided by MetLife, such as heart attack, stroke, and cancer, you can receive a benefit payment in one lump sum. You can use the money however you choose to cover out-of-pocket expenses like copays and deductibles. You can use the coverage more than once if you have a different condition later, and you can cover your spouse and children.

Additional Benefits

Accident Insurance

Accidents happen when you least expect it. With Accident Insurance through MetLife, you can stay ahead of the out-of-pocket expenses that may occur due to a non-work related injury. Accident Insurance provides a lump sum payment based on the accident or injuries sustained, so you can be prepared financially. The benefit is paid directly to you, and you decide the best way to spend it. It's that simple. Whether it's to pay medical expenses, the mortgage, car payments, or even utility bills, you decide.

Other advantages of Accident Insurance include the following:

- You'll receive cash benefits for expenses that may not be covered under your medical insurance.
- There are no health questions to answer.
- You can insure your spouse and children.
- There is no limit to the amount of accidents you can claim under the policy (with exception to policy rules).

MetLegal

Centra is proud to continue offering MetLife Legal Plans in 2023 as a Third Party Benefit. MetLife covers the cost of attorney fees for the most frequently needed personal legal matters. Employees who elect the plan have access to an attorney, as if on retainer, who can provide legal assistance with no waiting periods, no deductibles, and no claim forms. These in-network attorneys can represent employees for a wide range of legal services, such as buying or selling a home, starting a family, dealing with identity theft, caring for aging parents, and more.

To learn more, visit legalplans.com to create an account and enter access code **9903637**. You can also call **1-800-821-6400**, Monday through Friday, 8 a.m. – 8 p.m. EST for assistance.

⁴R&C fee refers to the Reasonable and Customary (R&C) charge, which is based on the lowest of (1) the dentist's actual charge, (2) the dentist's usual charge for the same or similar services, or (3) the charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.

Keep in mind, when you visit an out-of-network provider, you will pay more for services. Disability Income Protection

Centra recognizes the importance of your financial well-being in the event of a disability. Most of us insure our homes, automobiles, and other assets, yet we often overlook our most valuable asset – our ability to earn an income! Your regular monthly obligations such as your mortgage or rent, utility bills, food, and other necessities, continue even if you are unable to work. Centra offers short-term and long-term disability options to full-time employees provided by Lincoln Financial.

Voluntary Short-Term Disability (STD)

After you have met your elected waiting period, the STD plan protects your income if a short-term injury or illness prevents you from working. You have two STD options to consider, as shown below.

Improved Maternity Benefit: Disability period for pregnancy under STD is 12 weeks starting the date of delivery. There is no waiting period for maternity leave.

Long-Term Disability (LTD)

Long-term disability coverage takes over after 90 days of disability. To qualify for LTD, you must be unable to perform the regular duties of your job. You have two LTD options to consider, as shown below.

Pre-Existing Condition Exclusion

The policies will not cover illness or injuries for which you received treatment within 3 months prior to your coverage effective date if you file a claim for that illness or injury in the first 6 months for STD or 12 months for LTD after your coverage effective date.

Retirement

Save for the Future with Matching Tax Deferred Savings Plans

Saving for the future is a top priority in smart financial planning. That's why Centra sponsors Matching Tax Deferred Savings Plans for employees: a 401(k) plan for PCHP employees and a 403(b) plan for all other Centra employees.

Employee Contributions

Upon hire, eligible employees are automatically enrolled in the 403(b) plan at a contribution rate of 3% of your pay. Eligible employees should call Transamerica or go to transamerica.com/portal to make any changes.

You may make traditional pre-tax contributions or Roth after-tax contributions, or both. Unlike traditional, pretax retirement contributions, Roth contributions are invested using after-tax dollars, meaning you pay taxes on your savings up front, rather than in the future. Roth contributions may provide the following benefits as part of your saving strategy:

- The earnings grow tax-deferred and withdrawals are tax-free as long as it's been five years since the initial contribution and you don't begin withdrawals until age 59½, at the earliest.
- Tax diversification when making both Roth after-tax, and traditional pre-tax contributions.

Participants may contribute up to the annual IRS limit in pre-tax earnings under both plans, and those age 50 or older are eligible to make an additional catch-up contribution up to the IRS limits. You can increase, decrease, or stop your contributions at any time to either plan by contacting Transamerica. Remember to select your retirement plan beneficiaries by logging on to transamerica.com/portal. From the top navigation, select **My Plan** from the drop down, and go to **Beneficiaries**.

Centra Contributions

Centra will make a matching contribution of 100% of the first 3% of pay you contribute. You are immediately vested in those contributions. Depending on the performance of the organization, Centra may also make an annual discretionary (base) contribution of up to 4% of your base pay on your behalf. Employees eligible for this base contribution become fully vested immediately.

Retirement Plan Limits	2023	2022
Elective contribution limit for 401(k), 403(b), and most 457 plans	TBC	\$20,500
Catch-up contribution limit for 401(k), 403(b), and most 457 plans (employees over the age of 50)	TBC	\$6,500
Annual compensation limit under Sections 401(a)(17), 404(1), 408(k)(3)(C), and 408(k)(6)(D)(ii)	TBC	\$305,000

For full details regarding the 2022 contribution limits, visit [Centra People > Employee Matters > Benefits](#)

Other Tax Deferred Savings Plans

457b Deferred Compensation Plan

A select group of management and highly compensated employees are eligible for this nonqualified savings plan. Centra does not make employer contributions to the plan. Refer to the plan highlights document posted on [Centra People > Employee Matters > Benefits](#) for complete details, and visit transamerica.com/portal for any questions.

Manage your investments at transamerica.com/portal. If automatically enrolled, your contributions are invested in T Rowe Price Target Date Funds, but you can change investments at any time. PortfolioXpress is also offered as an investment service to adjust your investments as you get closer to your retirement date.

Long-Term Care

Centra offers employees working at least 24 hours per week a chance to purchase Long Term Care Insurance. If you enroll outside of the initial period, you will be required to provide proof of good health to get coverage.

Enroll directly through Unum by calling **800-227-4165** or log onto: unuminfo.com/centrahealth/enrollment.aspx
